After-School Program – Recreation Staff

Position Contract: September 13th, 2021 – December 23rd, 2021

Wages: \$14.50 per hour, 20 hours a week

Nook Afterschool Program is a unique program designed to create a safe environment for elementary school aged children. Our program's focus is to bring daily art, sports, literacy, and social justice programs to children ages 4-12 in an after-school setting.

Responsibilities:

- Create and coordinate efficient operation of physical and recreation component of the program.
- Prepare and submit weekly program plans to site Supervisor
- Incorporate the development of participants' sense of fair play, friendly competition, skill building, and fun into programming.
- Demonstrate and implement proactive problems-solving, conflict mediation, and behavior management skills that engage participants, and when incidents do occur to secure timely resolutions.
- Implement a safe, fun and educational program that is accessible to all participants in high priority communities

Qualifications:

- Diploma or current student in Recreation, Child and Youth Work, Community Work or Related Field is an Asset.
- Excellent communication, leadership, interpersonal and organizational skills.
- Problem solving and negotiation skills.
- Experience with program facilitation, group dynamics with school aged children.
